**THE SEABEE WOUNDED IN ACTION SCHOLARSHIP**  
THE SEABEE MEMORIAL SCHOLARSHIP ASSOCIATION

## Our Mission

The Seabee Memorial Scholarship Association (SMSA) is the nation's only provider of scholarships specifically for the children and grandchildren of individuals who have served with the U.S. Navy Seabees and the Civil Engineer Corps (CEC).

## We Serve, With Compassion for Others

Seabees and their families live honorable and courageous lives, their commitment to serving America and our allies is unwavering. SMSA stands along side our wounded Seabees and their families throughout the recovery process.

SMSA's Seabee Wounded in Action Scholarship provides scholarship support to eligible dependents of Post 9/11 Seabees wounded in action, ensuring that these children have the opportunity to attend any accredited two or four year college.

According to research by the SMSA, there are over 100 Post 9/11 wounded Seabees parenting 56 college-bound students. We're still researching and the list will grow.

- \$900,000 in new resources are needed to meet the scholarship needs of these talented and deserving students.
- We anticipate awarding the first Seabee Wounded in Action Scholarships in 2018-19, creating a funding need of \$13,400 the first year.

There are many ways that you can invest to support SMSA's Wounded in Action Scholarship Fund:

- Sponsor the Virginia Beach Wounded Seabee Golf Invitational October 11, 2018. Additional Information is available at [seabeegolf.org](http://seabeegolf.org)
- Share our program information with Post 9/11 Seabee families
- Make a direct contribution online at [Seabee.org](http://Seabee.org)

Since 1972, SMSA has awarded over 2,800 scholarships totaling \$5 million.

*“By helping send the children of wounded Seabees to college, the Scholarship Association empowers the next generation of leaders, honors their sacrifices, and strengthens America’s workforce,”*

VA Beach Wounded Seabee Golf Invitational Chairman Rear Admiral Mark Handley, CEC, USN (Ret.).
